Mayor Chris Keller
Post Office Box 84
Garrett Park, Maryland 20896-0084

Dear Mayor Keller:

Thank you and the Town of Garrett Park for your ongoing support of the Garrett Park Elementary School modernization project. We are pleased to inform you that our coordination with the Washington Suburban Sanitary Commission (WSSC) has yielded a good outcome that will protect the mature trees along Oxford Street and protect our target date to reopen the newly modernized school by January 2012.

Sincerely,

Joyce Jessell, Acting Director
Division of Construction
